Prologue

TIME

Our lives are run by it.
Alarm clocks and bells summon us
to rise and start the day.
Clocks and watches keep timing our
steps until that final bell tolls
which ends our lives.

In this book, let time stand still;
this past year frozen,
now; the hour glass perched on
its side on a mesquite tree on St.
Joseph's Hill.

And the sand in the hour glass
will not flow until we
right it again.

A time to weep and time to laugh; a time to mourn and a time to dance.

A time to scatter stones and a time to gather them; a time to embrace and a time to be far from embrace.

A time to seek and a time to lose; a time to keep and a time to cast away.

A time to rend and a time to see; a time to be silent and a time to speak.

A time to love and a time to hate; a time of war and a time of peace.

The Library Club

Unfortunately the Library Club picture did not come out. The club sponsors a Book Fair each year and in general helps to keep the library in good shape.

Sister Euphrasia, our long standing librarian, leaves us this year and we will miss her very much. She has always maintained high standards for the U. A. Library and made it a pleasant oasis in the school.

The European Trekkers

Each year Ursuline sponsors a trip to Europe. Gina, Lucy and Laura were among the lucky ones the summer '78. Some boys came from California and Jim Mahan came along with Laura. The group covered nine countries thirty days.

The Drama Club

They say that life is a stage. Well, it really is for actors. And taking part in the Drama Club productions is a big challenge. Long hours of practice, "do it agains," so much frustration, machinery going "whackoo," the iron-claw of Mrs. Hardy—all these are enough to "drive you to drink!"

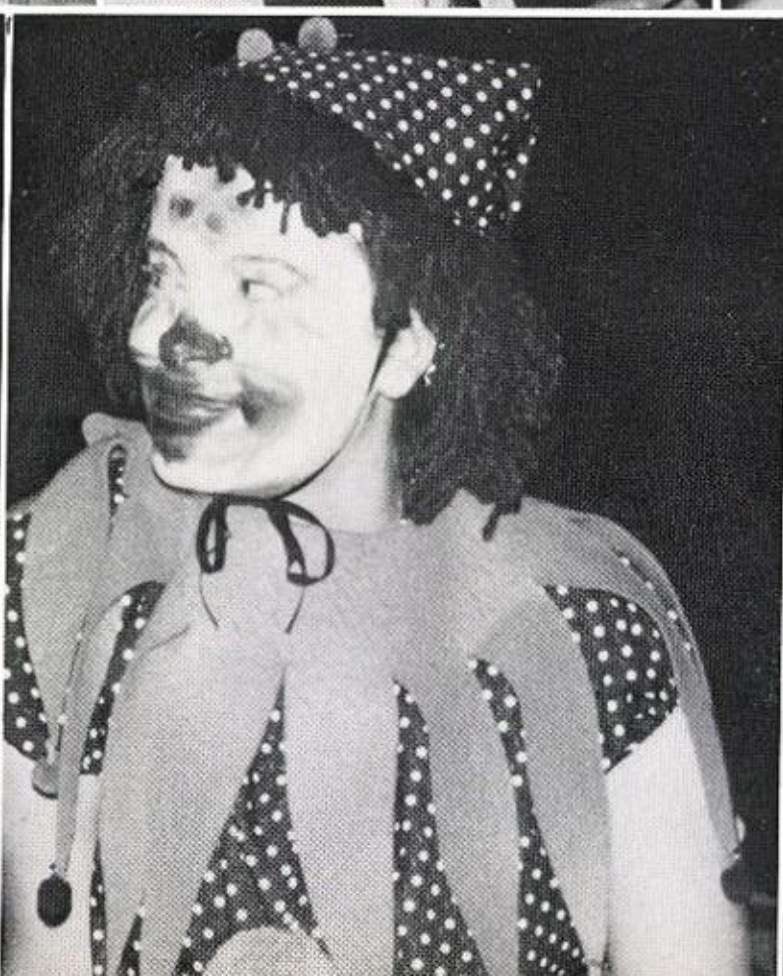

During Mrs. Hardy's time here the Drama Club has grown to a very important part of the Ursuline community.

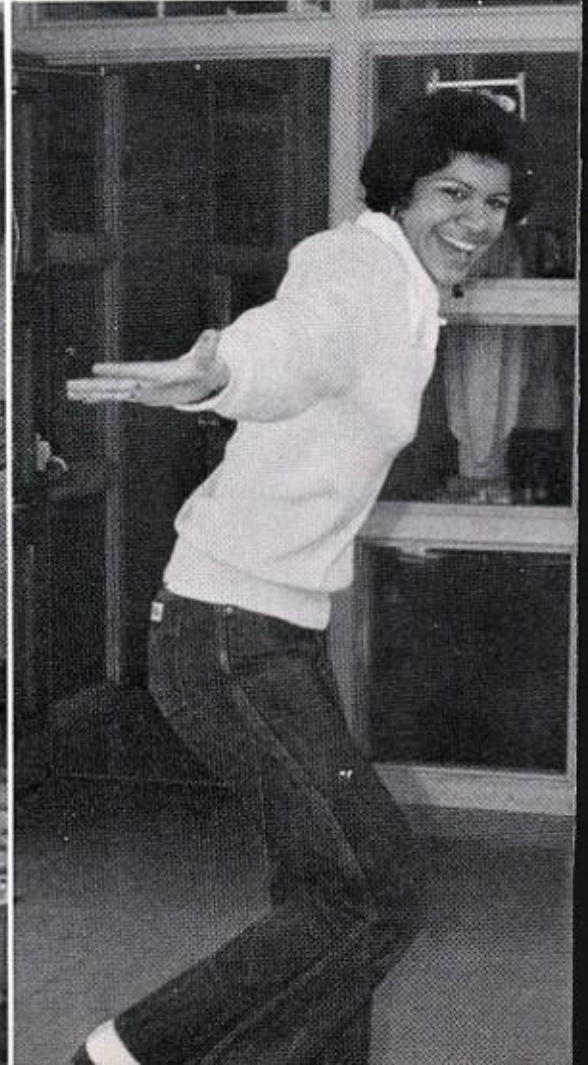

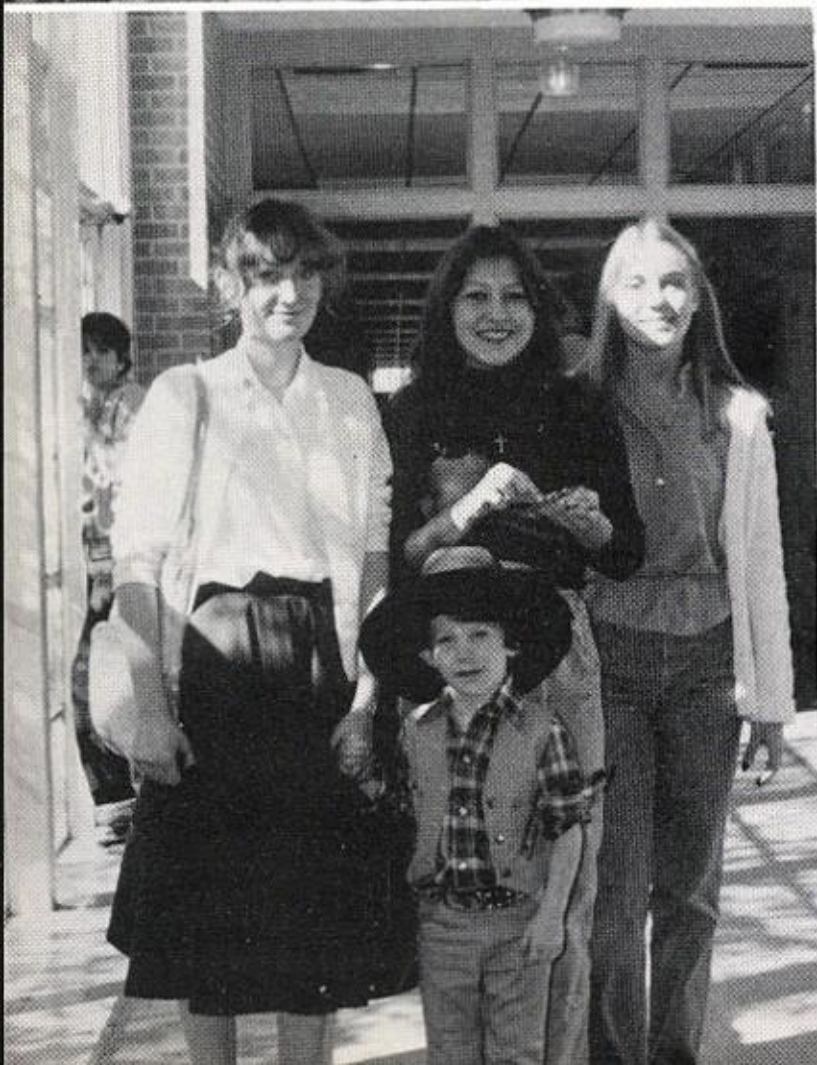

Renaissance Dinner Theatre is a San Antonio attraction. This year's Christmas program was pantomime and music based on fairy tales. And "Carnival" was a mind boggling production of song, dance, circus life, puppets and magic, complete with orchestra.

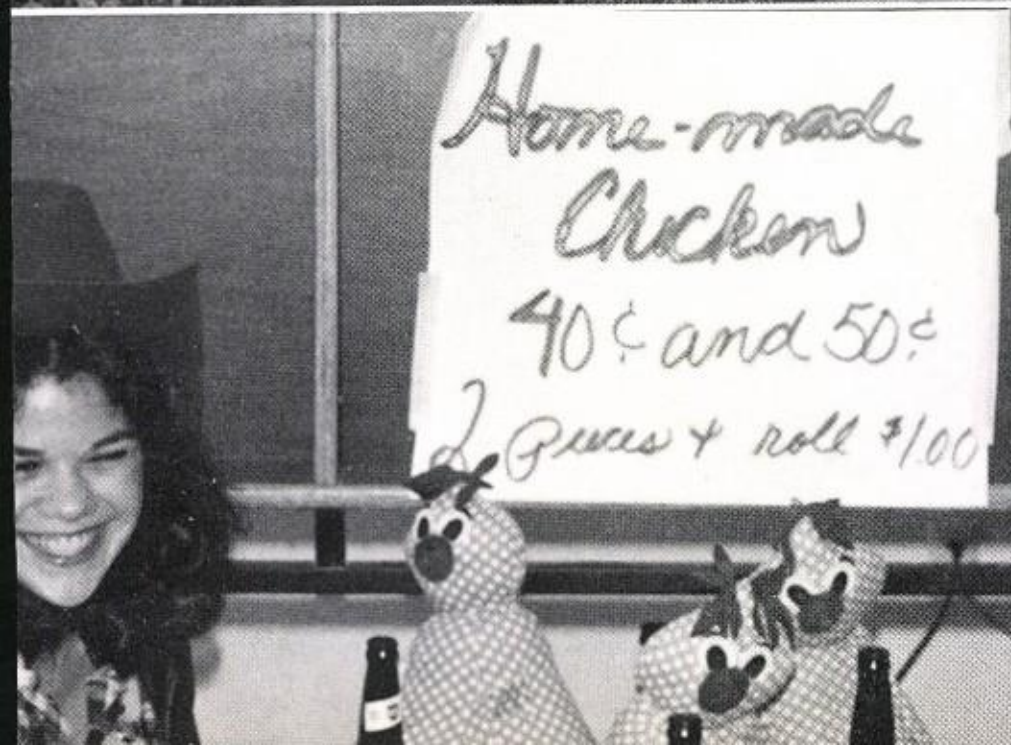

The girls brought home trophies from several tournaments and sponsored a Junior High Tournament themselves and then presented a Speech-Media program which was excellent.

With all the problems that go with getting all this together, it's worth it because at the end of being "in the crucible" comes the sound that means you've done good work—applause.

You should have seen the guy from Baylor!

College Day

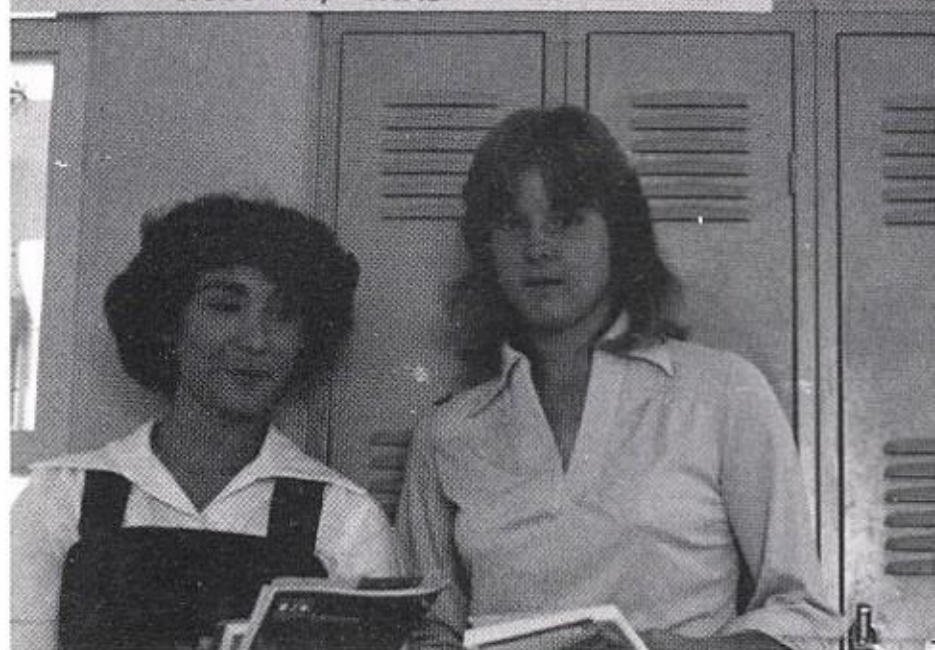

Ursuline held its 3rd annual college day on Nov. 2. This day is organized by Sr. Peggy Busby in order to allow the juniors and seniors, as well as the other high schools in San Antonio, a chance to talk with representatives from colleges and universities. Approximately eighty different colleges were represented.

Aside from the local colleges, about twelve colleges came from out of state, and the rest of them from throughout Texas.

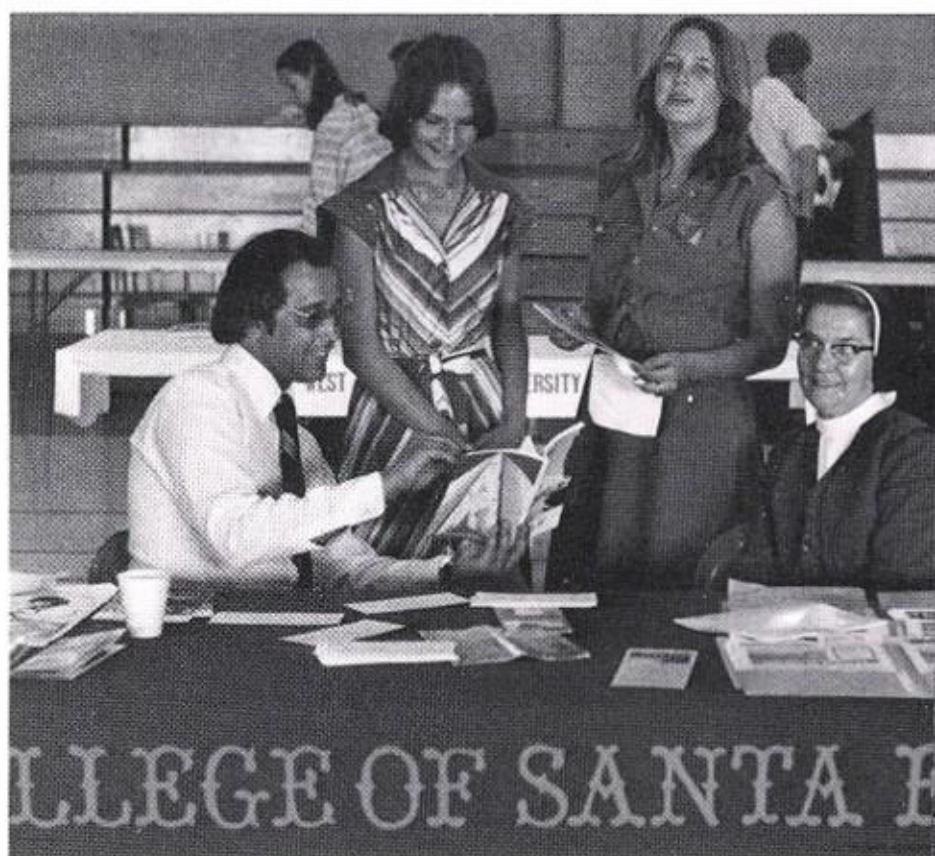

Representatives from prestigious names like Yale, Harvard, and Princeton were here as well. Students from S. A. high schools say they really appreciate Ursuline's College Day.

STUDENT COUNCIL

President Jessica Gonzales,
Vice Pres. Nanny Montana,
Sec. Treasurer Lisa Trimble,
Program Manager Rosalinda Guerrero

The Student Council plays a very important job in the school because they are the voice of the student body. This year's members really did a great job by sponsoring so many activities which gave the girls a feeling of community.

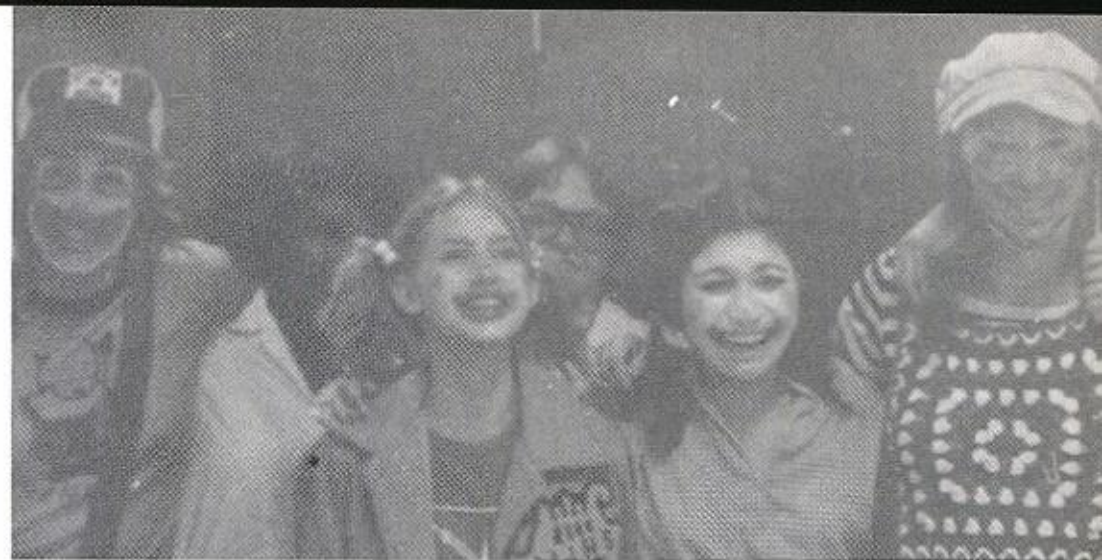

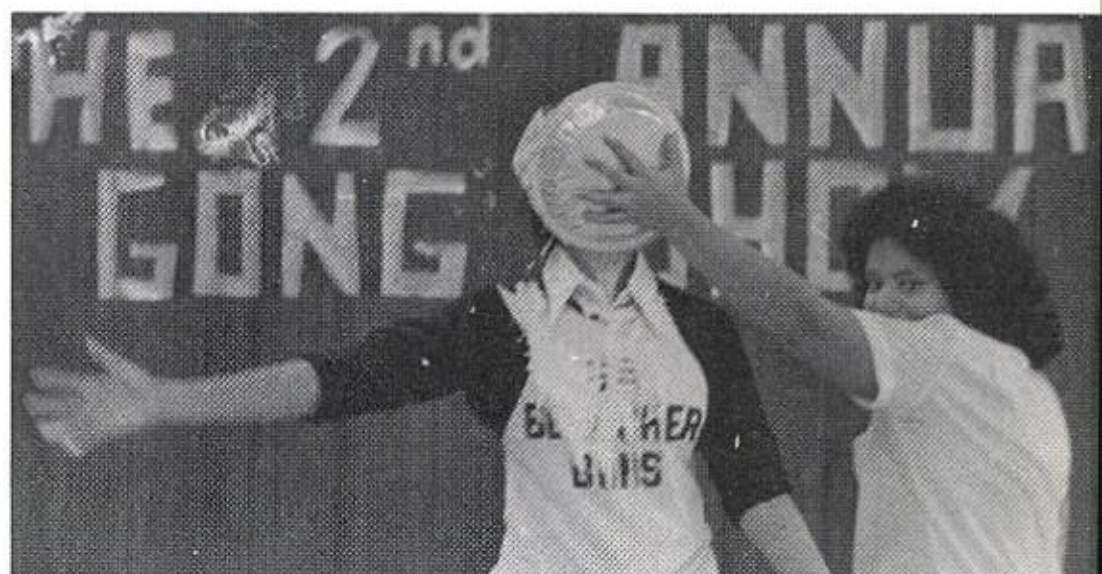

"Coach Gonzales shows off his magic elbow"

The Gong Show is one of many events sponsored by the Student Council. It is one of the main fundraising activities, and its proceeds go toward putting on the Winter Frolic.

Slave Day has been a tradition at Ursuline for many years. On this day, the Seniors are each assigned to a Freshman and make these fish their slaves. No Senior would ever pass up this opportunity and for the Freshman it is part of their initiation into the Ursuline family. This event will remain a tradition for many years. This day is so widely known that every year the News People from KENS TV come over to televise it.

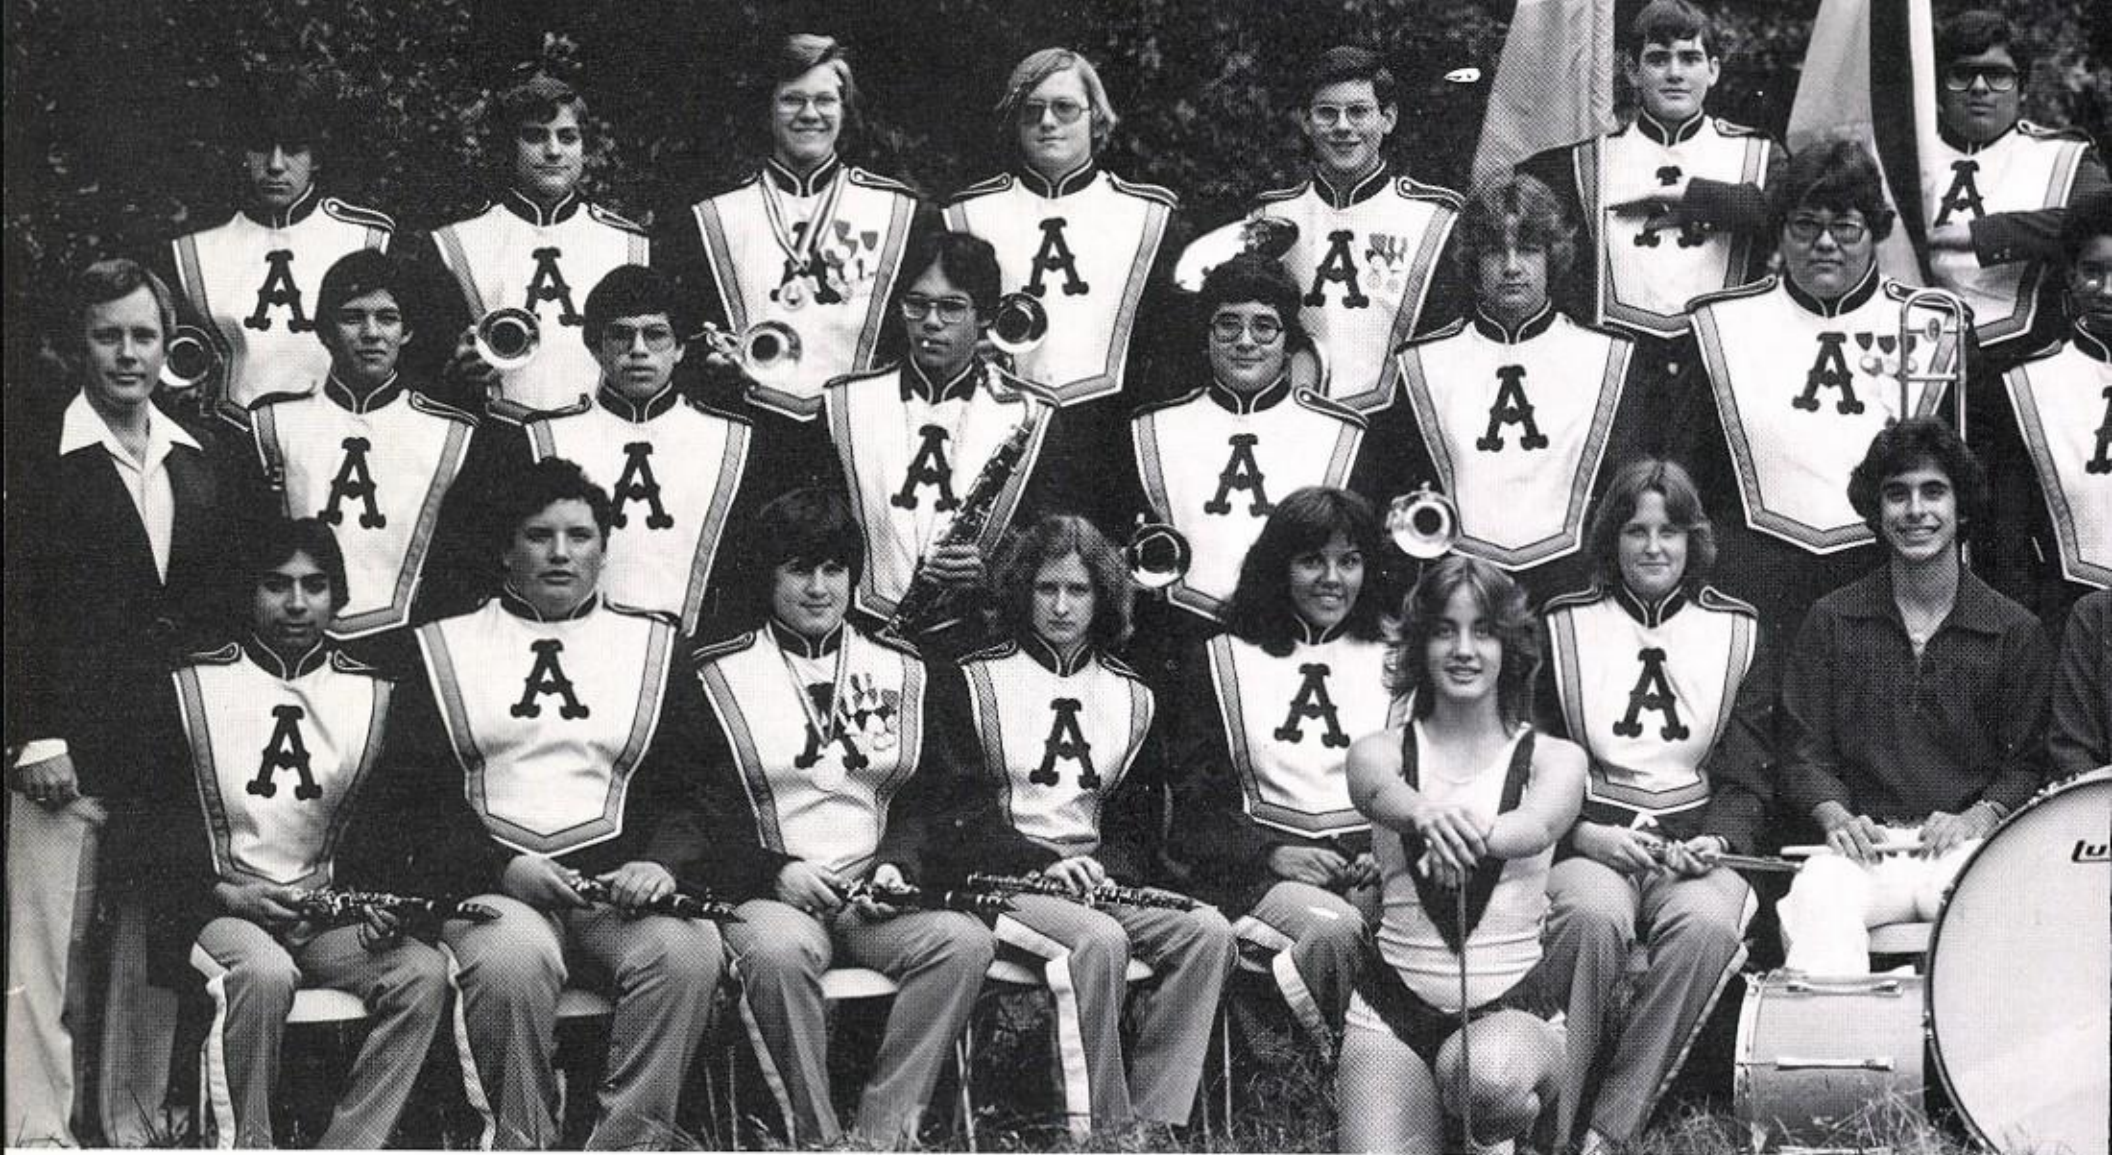

Slave

Day

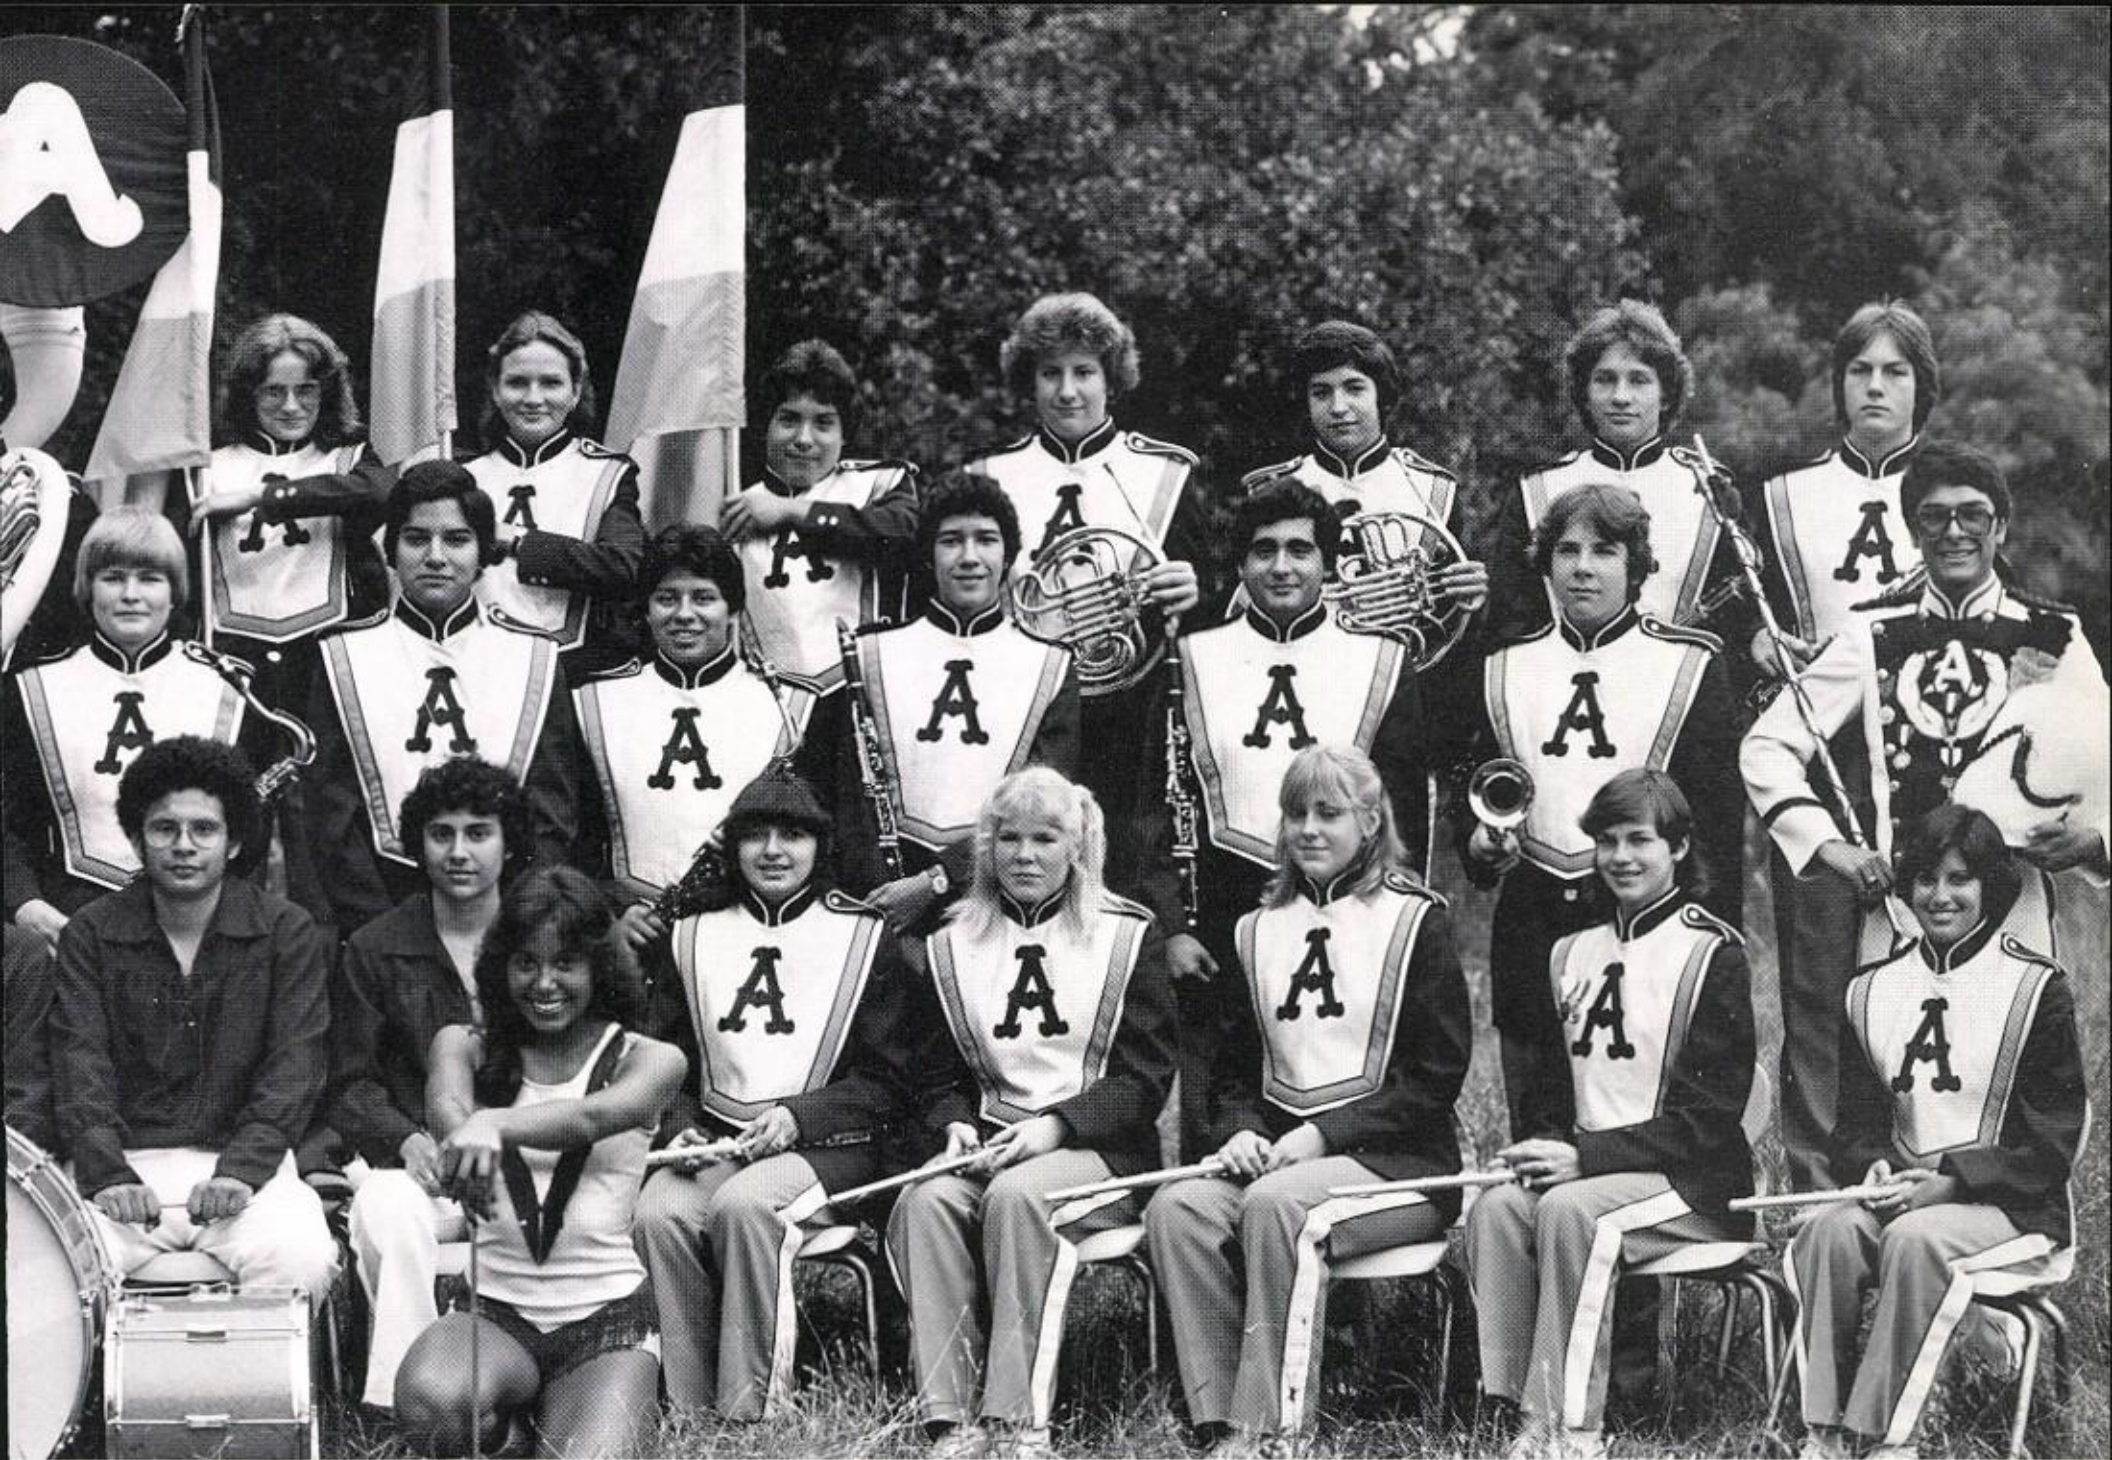

The 1978-79 Antonian-Ursuline Band is only four years old. This year they went to Oklahoma for the Tri-State Festival. They won Sweet Sixes in the State contest. They tied for first place in the regional contest and had more students in the City Band than any other school.

BAND AND CHORAL

Jonathon Hook led the choral class as Jennifer Wood accompanied on the piano. Jennie also led the orchestra for "Carnival." The choral group sang at class night and Gerry always was a soloist.

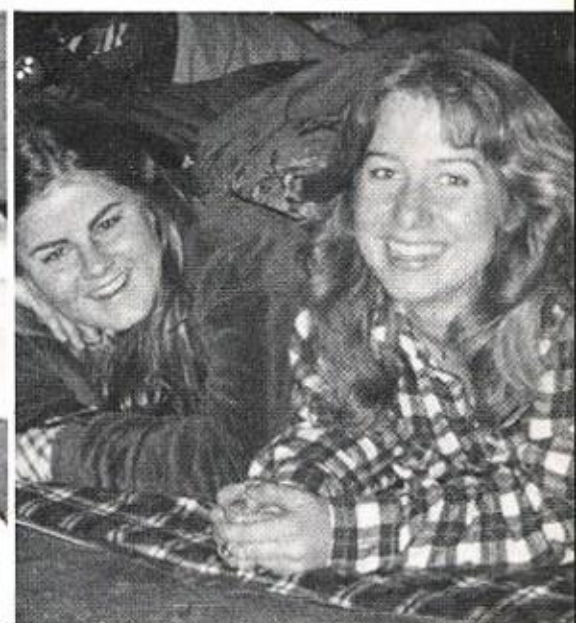

RETREATS & DANCES

Smile Juniors!

Typical Laura; studying on retreat.

Jo and Marsha love retreats.

Boogie Oogie Oogie

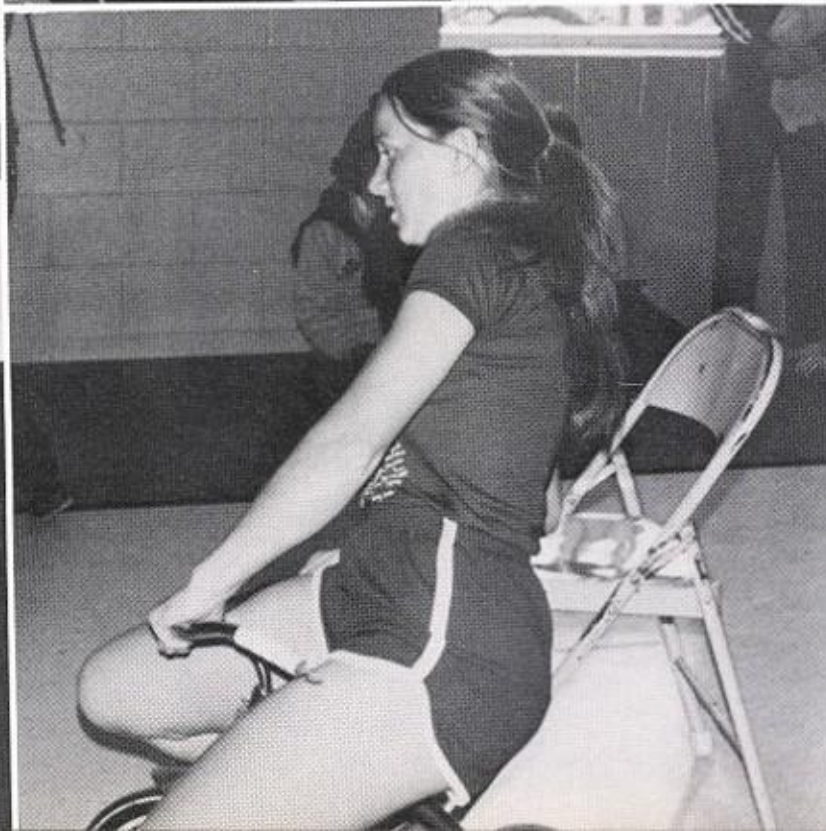

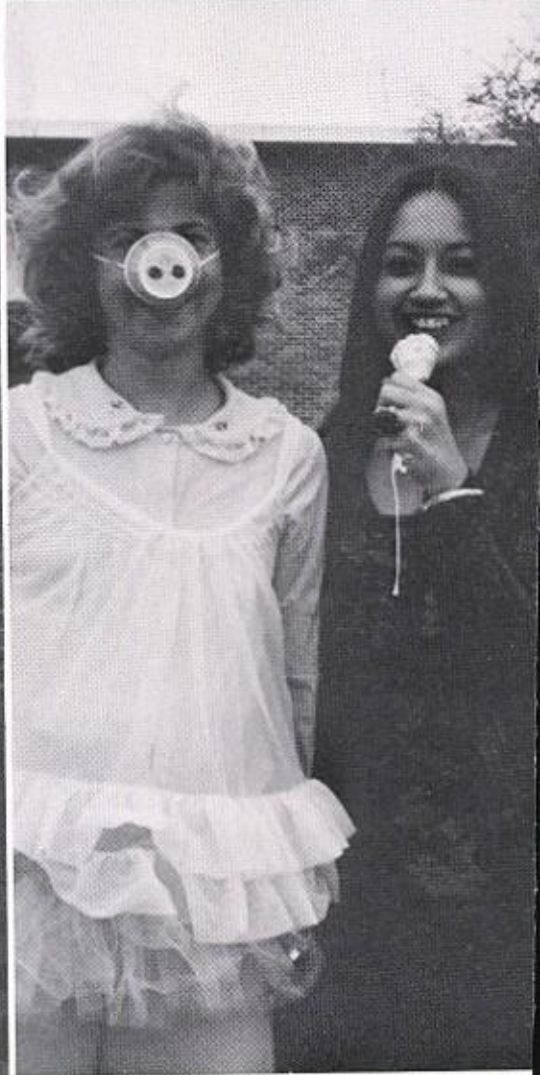

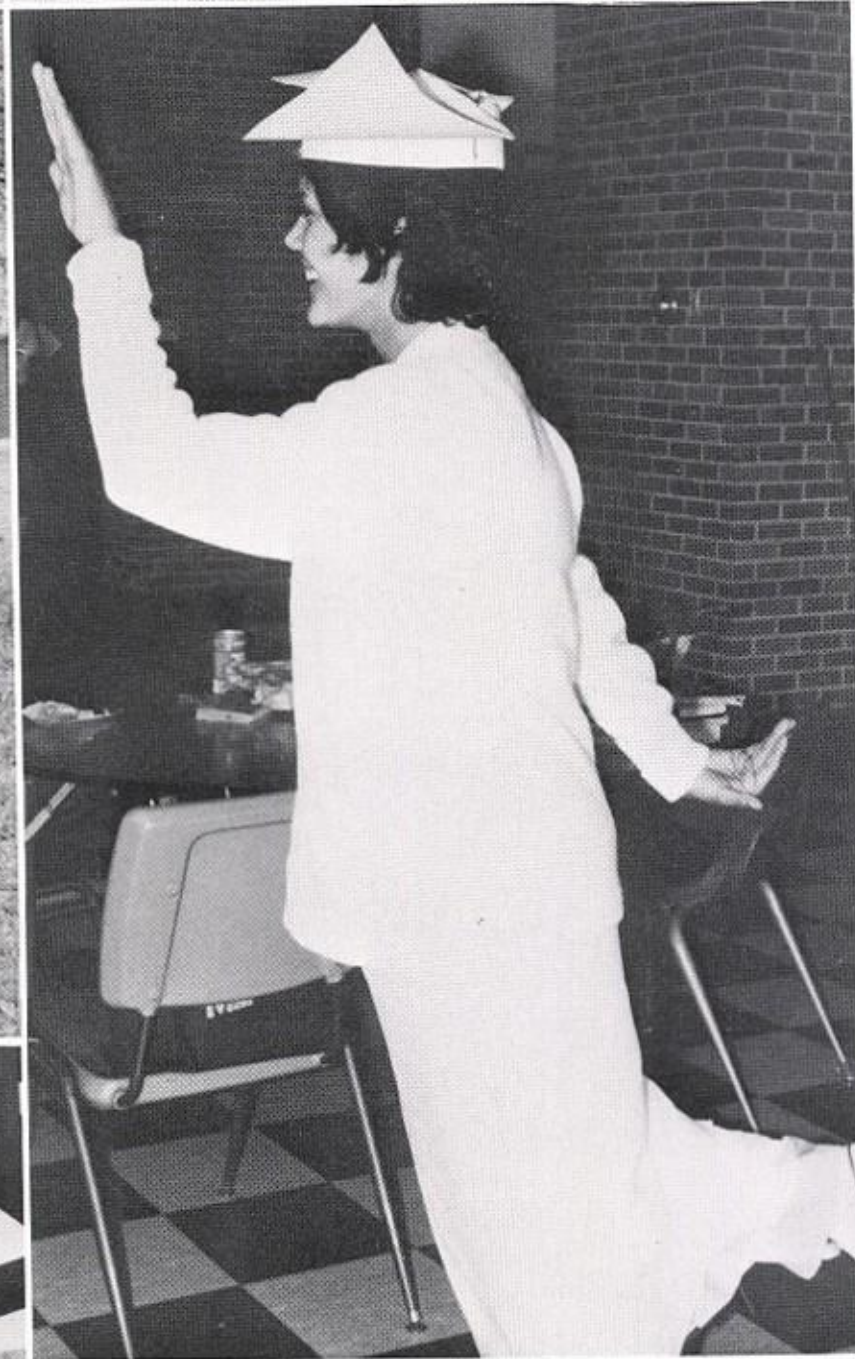

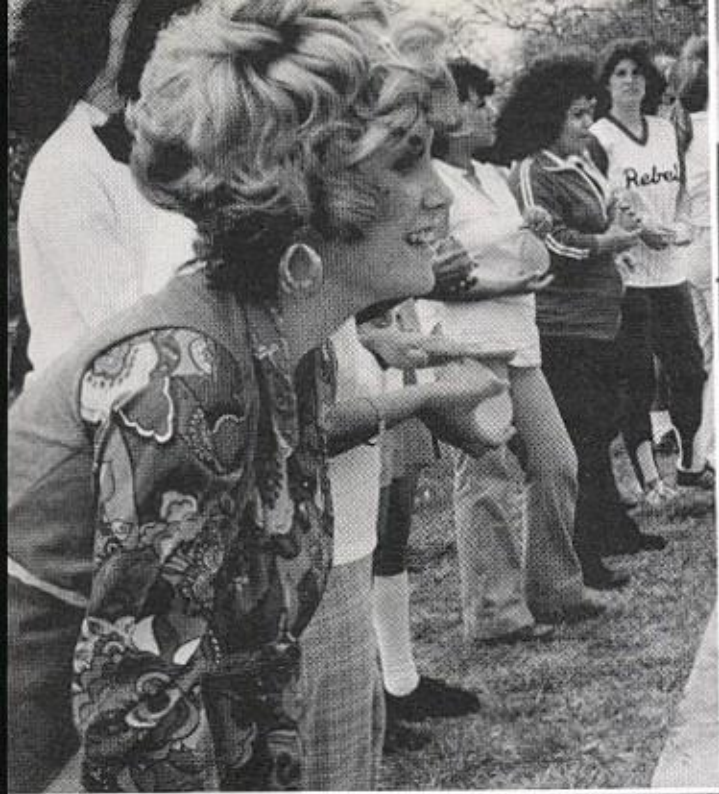

Linda and Kathy share.

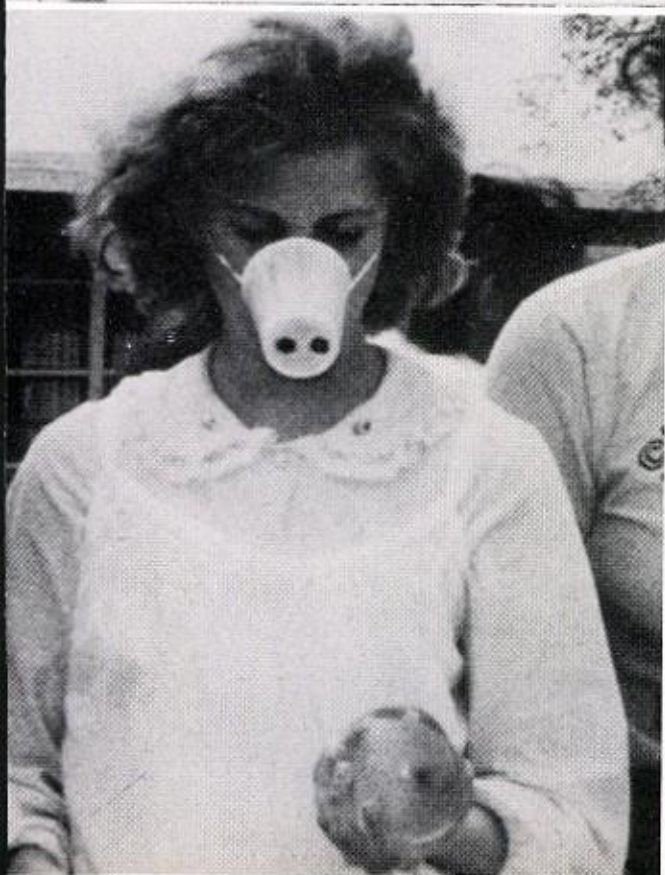

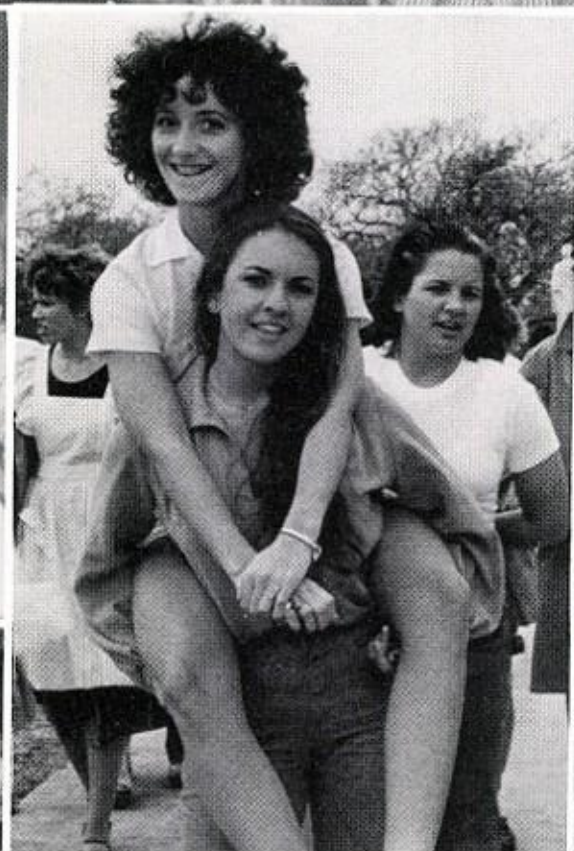

A new dance?

Every class except freshman sponsors a dance. Some clubs and Student Council also have dances. Every class except freshman also has a retreat. Both are good ways for U. A. girls to get rid of excess energy, to learn about life and themselves and incidentally to have a good time.

Father-Daughter Banquet

The Father-Daughter Banquet this year was held at Oak Hills Motor Inn. The guest speaker was Dr. Robert Cortner who spoke to the group on fatherhood. This night was the best date the girls will ever have, all their years at Ursuline.

Mr. Gonzales and Mr. Kelly are very proud of their daughters.

Could we have a bigger smile please?

Come on dad, it will be O. K., once the dessert comes.

Mr. Laake, proud of his two girls at Ursuline this year.

Flo came back with Dad just for Delia.

The Mother-Daughter Luncheon this year was held at the Hacienda in Los Patios. Everyone who attended had a very nice time walking around the grounds and taking pictures. A few of the seniors put on a style show with clothes from The Limited. Everyone's plate was piled high but no one seemed very worried about the calories that day.

REMEMBER WHEN

Four years have past, and we have many memories that are shared among the girls in our class, some happy some sad but none of them will ever be forgotten.

Remember when . . .

we experienced America's 200th birthday as freshmen?

as dumb freshmen we chose baby blue and pastel yellow for our class colors?

'79ers were Antonian pep squad members and cheerleaders?

we stuffed ourselves into a Volkswagen for spirit week?

our parents picked us up from the dances?

when guess who had a crush on Mr. Wizinski?

we learned one hen, two ducks, three squawking geese?

Mrs. Leitch had bionic ears?

we had our Serviam Ceremony?

D. P. S. made the mistake of giving Lucy her drivers license?

we all took art so that we could be with the opposite sex?

we all prayed that we would get Mrs. Sears for P. E.?

we had awareness days, and needed passes to go anywhere?

Sr. Tonia looked for Lisa and Michelle at every private school in San Antonio?

we had three Popes in a row?

Ursuline gave a mock election and Gerry Ford won?

we had smoke filled bathrooms?

we finally got our top lockers?

we put on a junior dance that raised \$900?

we had our big sister/little sister picnic at Landa Park?

we put on the prom of '78 and served canned cokes?

we got our senior rings and celebrated at Stinky Falls?

Nanny almost hit Sr. Elizabeth with her car on ring day?

Liz R. had to sit in the office half of senior year?

Kristi's trig book yawned back?

we had the tear filled meetings in the office over graduation plans?

on Mission Day and during Spirit Week of '79 the seniors won it all?

we finally beat Incarnate Word in volleyball?

we got our open campus?

we couldn't find a senior class song because everything was DISCO?

we got our caps and gowns?

Karen had a flat and missed the senior class pictures?

we almost didn't have a yearbook?

our graduation ceremony?

we were the class of 79?

Happy Graduates

ADS

It seems like only yesterday
You scampered here and there
A little girl with laughing eyes
And ribbons in her hair
And now you are a graduate
In lovely cap and gown
While we're the proudest parents
And the happiest in town
So, with congratulations
We both want to say anew
The things you want the most in life
Are what we wish for you!
Congratulations to all the
graduates of Ursuline
Class of 1979
and especially to our wonderful
daughter, Becky Wilborn.
